Local, Culturally Relevant Parent Education and Support Projects in Washington State Funding Application: 08-IFB-0122 Funding Application Questions & Answers

General Funding Application Questions	Answers
Do you have a template or Word doc of the	The funding application template .doc is on the DEL
application? I received a funding application notice with	website at: http://www.del.wa.gov/about/contracts.aspx
a PDF, not a template, and I am not able to fill out the	
application.	
Are Native American tribes eligible to apply?	Yes. 501c3 private non-profit organizations, tribal
	organizations, public or private schools, faith based
	organizations, and local government entities serving
	Washington State parents are encouraged to apply.
Can you explain what you mean under project type by	New means applicants proposing something they are not
"new, expansion, enhancement, and other?"	already doing. Expansion relates to making a service or
	project bigger in order to serve more people. Projects
	widen. Enhancement refers to those adding to what they
	offer in terms of hours, materials, and curriculum. Projects deepen. Other is for folks who don't feel that they fit into
	the above three options.
Under Applicant Information, whose information do you	The organization who will sign the contract accepting
want? My organization works under the umbrella of	legal, fiscal, and programmatic responsibility should be
another larger organization.	listed there.
Organizational Structure: You request the resume of	The associate superintendent would be the more
the agency director. In our case, that is our	appropriate resume, as that would be the person providing
superintendent. Is that what you want? Or would our	direct oversight of the department in charge of the project.
assc. superintendent's resume (for our Department) be	
more appropriate?	
Organization Type: We are an ESD. Should we select	Either public school or local government for organization
"Public School"?	type would work. You can specify ESD next to it.
Is the health department considered local government?	Yes, local health departments are considered part of local
	government. You can specify health department.
Under Organization Type, what should I check? We are	Please add "Community College" to the list under
a community college.	"Organization Type" and check that.
Please clarify what you mean by one 8.5"x11" page	In <u>Project Proposal</u> , under the "Project Description"
limit for each question.	section, questions (a) – (e) can each use up to one page.
	Unserved and underserved population counts as a question. How you know your project meets parent's
	interests and needs in a culturally relevant way counts as
	a question. The <u>Project Budget</u> section is mostly template -
	- applicants may submit one additional page.
	Organizational Structure and Community Collaboration
	can each take up to one page. Project Evaluation can take
	up to three pages. Total pages (if at all possible DEL
	understands that some folks will write less and some
	more) should be close to 13 pages plus the actual
	application template and requested attachments. Don't
	skimp, but brevity is appreciated. Padding not needed for
	these applications!
I am interested in knowing what kinds of projects were	The DEL website has a press release briefly describing a
awarded last year. How many applied and how many	few of them: http://www.del.wa.gov/resources/newsroom/120307.aspx
were successful?	Over 80 organizations applied last time with a wide variety
	of populations and approaches. DEL awarded 22 contracts.
Can we include photos as part of our application?	Yes.
Can we change the order of questions?	No. Please stick to the question order in the template.
One of our partners has agreed to collaborate with	Absolutely.
another applicant. Can we still partner with them?	Absolutely.
another applicant. Oan we still partitlet with them!	

Local, Culturally Relevant Parent Education and Support Projects in Washington State Funding Application: 08-IFB-0122 Funding Application Questions & Answers

General Funding Application Questions, con't	Answers
How do you define "goal" vs. "outcome" and can you	Your explanation works fine. In simpler terms, a goal
give an example of each? My understanding is that a	is where you are going, the outcome where you end up.
goal is a broader expectation and an outcome is a	For example: Goal parents will read or look at books
more quantifiable, discrete result.	with their children each day. Expected Outcome 60% of
,	parents served report reading or looking at books with their
	children every day. In your final report, you'll address the
	"actual outcome" which may or may not have met your
	target goal and outcome.
	The application should have been more accurately
	worded, "List two goals you are planning to work towards
	in this project."
Do community collaborations have to be local? Can	You define the partnerships and collaborations that help
you partner with an out-of-state organization?	you achieve goals and outcomes in your local community.
	Each of the two letters of community collaboration must
	specify the partnership agreement, and how the partner
	will support the project.
Do STARS classes count as parent education?	No. STARS classes are designed to meet the on-going
	training needs of professional child care/early learning
	providers.
To whom should letters of support be addressed?	Address them to the person listed on the first page of the
	funding application and include them with your submitted
	proposal.
What if we are waiting for a funding decision before	In cases where the project lead will not be hired until after
hiring the project lead? We won't have a resume to	a funding decision has been made, you may submit a job
